

## City EOC - Media Release September 1, 2018

As people are reentering their homes and starting to clean up we ask that they keep some things in mind:

- Call Sauk County and report damage to your home, 608-355-3200.
- Contact City Hall to have your home inspected before resuming occupancy 608-524-6402.
- Before cleaning up your home make sure gas and electricity are shut off.
- Always work with other people and do not go into affected houses alone.
- Use appropriate protective equipment and safety tools:
  - Flashlight
  - Goggles
  - Cleaning supplies
  - Respirators
  - Gloves
  - Boots
  - Hard hat
  - Vaccinations (i.e. Tetanus)
- Have a way to communicate with you, like a cell phone.
- Document everything in writing and with pictures and video before cleaning up and as you are cleaning up.
- Flood cleanup kits are available in the lobby of the Police Department.

**Damaged Property:** Damaged property should be placed in dumpsters. Dumpsters are being placed around the community in flooded areas. Appliances can be placed on the treebanks for disposal.

**Sandbags:** Take used sandbags to Nishan Park to dispose of them.

**Streets:** Many streets are now open. Do not go around barricades that are still in place, they are there for your safety.

**Volunteers:** Currently, we are not looking for volunteers. We need water to fully recede and basements to be water free before cleanup volunteers will be able to be sent in to begin the cleanup process. Pumping out a basement with high ground water around it, may cause structural damage to the house. Use caution when pumping basements out! A volunteer management team will be in place early next week and we will be looking for volunteers at that time.

**Hot Meals:** St. John's will be providing free community meals Sunday, September 2nd through Tuesday, September 3rd from 4:30 - 6:30 pm in the Fellowship Hall at the church - 307 6th Street if anyone is interested in helping, come to the church around 4 pm. Dessert donations are welcome. This is open to everyone in the community not just those affected by flooding.

**Donations:** Cash donations can be made to the GSCF PO Box 544 Baraboo, WI 53913, and make checks payable to the "Greater Sauk Community Foundation"; or you can donate online. If you would like to donate
